ABOUT US

BBBEE

Cromico Trading and Projects (Pty) Ltd. is a level 1 contributor and supports the B-BBEE Act and the Codes of Good Practice for B-BBEE and actively participated in the development of the Construction Sector Charter.

Founded in 2012 and based in Johannesburg, Cromico Trading and Projects (Pty) Ltd is a 100% black, female-owned contractor delivering end-to-end solutions across plant hire, civil engineering, rail infrastructure, and electrical works.

With a fleet of 450+ well-maintained machines, we support projects from groundworks to specialised rail and power delivery, covering OHTE (3kV DC), substations, and LV/MV distribution and maintenance. Our work is driven by safety, quality, and reliable delivery, backed by strong partnerships with clients, suppliers, communities, municipalities, and state-owned enterprises.

From complex OHTE refurbishments to substation rebuilds and commissioning, Cromico is trusted to perform on critical infrastructure: on time, to standard, and with integrity.
